

Dear Sir or Madam,

December 1, 2018

We are pleased to announce the 9th Annual Pittsburgh Cure Sarcoma 5K Run/Walk will be held on Saturday, June 29, 2019, at the North Park Boat House in Allison Park, PA. The event is being organized in cooperation with the Sarcoma Foundation of America (SFA) to raise awareness and funds to support sarcoma research. The success of our effort depends on contributions from both respected organizations and concerned individuals.

We are aware that in these difficult times making a financial contribution for a cause can be challenging. However, the challenge of fighting sarcoma is far greater. Sarcoma is a rare, often fatal cancer that affects approximately 15,000 American adults and children each year. Unfortunately, there has been little progress in finding novel treatments for sarcoma. The current economic environment makes it difficult for sarcoma scientists to perform research on this rare disease. Our goal is to raise both awareness and resources for sarcoma research through the SFA and the UPMC Hillman Cancer Center's Sarcoma Research Fund.

Please join us with a commitment to the 9th Annual Pittsburgh Cure Sarcoma 5K Run/Walk by becoming a sponsor. A copy of the sponsorship levels and benefits is enclosed. We hope that you will consider donating generously as we strive to find a cure in our time. A member of our planning committee will contact you soon to confirm we may count on your support. Your participation and generosity on Saturday, June 29th is deeply appreciated.

Sincerely,

Rich Rumsey
Chief Executive Officer

Sue Suit
PCS Event Manager
